PROSPERO ANSTY PARK - THE OPPORTUNITY

PROSPERO ANSTY PARK

One of the most significant new business parks in the UK and with a prime position east of Coventry, the Park is already attracting multi-national businesses to the scheme.

PARK FACILITIES INCLUDE:

- Gate controlled access into the Park outside of working hours.
- Number plate recognition.
- Security cameras with remote monitoring.
- The park has a running track / nature trail installed plus outdoor gym equipment.
- A bus service runs from Ansty Park during the week to Coventry Rail Station twice an hour.
- The restaurant at MTC is open to the public and outside of this there are other amenities close by including hotels, restaurants and convenience stores, plus the unique Coombe Abbey, a medieval building now run as a four star hotel and conference centre.

OUR OCCUPIERS

The site is currently home to many highly skilled workers as well as benefitting from access to graduates from the nearby Universities. There are over 100,000 graduates per year from 16 Universities within a 1 hour drive.

Some of our current occupiers are:

A UNIQUE ENVIRONMENT

With occupiers including MTC, Meggitt, Sainsbury's, Cadent & Rolls-Royce, combined with a highly skilled local work force and the ability to develop 30,000-90,000 sq ft HQ buildings, Prospero Ansty Park offers a unique environment for businesses seeking to take the next step.

The site is situated at Junction 2 of the M6 and Junction 1 of the M69, enabling instant access to the motorway network and national and international connections, as well as being in very close proximity to Warwick & Coventry Universities.

COVID COMPLIANCE

A COVID-COMPLIANT PARK

Since COVID-19 made its way onto the scene, developers have had to reimagine what makes a great office development to meet occupiers' changing needs. The pandemic has created an environment where flexible working and accessibility have become increasingly important.

Prospero Ansty Park offers the perfect opportunity for occupiers to develop spacious and high-spec HQs with great accessibility.

Your new HQ can be designed to be a smart building and also include more cycling facilities, more car parking, more touch-free technology and more space to ensure the healthiest and most productive environment for your employees.
